GLADIOLUS
PRICE LIST
Spring 1930

PLEASE READ CAREFULLY

QUALITY: All of my stock, except a few bulbs under trial and for exhibition, are grown from bulblets and small, young bulbs, all chemically treated before planting. This, combined with the excellent soil, moderate climate and long growing season of this section, and an abundance of water supplied by an overhead sprinkling system, makes possible the production of bulbs of the highest quality. I am licensed by the Oregon State Board of Horticulture, and all stock is rigidly inspected before shipment.

MY GUARANTEE: All stock is guaranteed to be healthy, true to name, and in good condition when shipped. No warranty, however, either expressed or implied, is given as to crop results, as growing conditions are beyond my control. If any stock bought from me is not entirely satisfactory when received, return it and replacement will be made or your money refunded. Bulbs not blooming true to name will be liberally replaced. My customers **MUST** be satisfied.

TERMS: Cash with order, or 25% deposit and balance C. O. D. if not paid at time of shipment. All stock offered and orders accepted subject to prior sale, or causes beyond my control. No substitution of varieties will be made except on request, but equal value in size other than ordered will be sent when necessary, unless otherwise instructed. Orders for less than \$1.00 not accepted.

DISCOUNTS: Single bulbs for one-tenth of the dozen price, but no item less than 5c; 6 at the dozen rate; 25 at the 100 rate. Six bulblets at the dozen rate; 50 at the 100 rate; 250 at the 1000 rate. 5% off for cash with order on all orders of \$5.00 or more.

SHIPMENT: Orders for \$2.00 or more from this list will be sent prepaid to any point reached by Parcel Post, safe delivery guaranteed. On orders of less than \$2.00 add 10% for postage. Orders for \$15.00 or more can be sent by express at any time; others as weather permits.

PRICES AND EXTRAS: The prices quoted herein are as low as it is possible to make them, considering production costs and quality of stock offered; therefore, I do not promise a whole lot of "something for nothing" extra with your orders, folks, but **DO** assure you of good, honest value for your dollar.

Send me the names and addresses of your friends who grow Glads, and I will add a little something to your order for your trouble. Suggest what you would like and your wishes will be complied with, if possible.

WHAT SIZE TO PLANT: For increase rather than blooms, plant small bulbs and bulblets. If not familiar with growing bulblets, though, watch your step. Bulblets from most varieties will germinate well if properly handled, but many are hard to handle and a few will scarcely grow at all.

Medium bulbs will produce very good blooms, but for the best flowers plant large bulbs. Small bulbs will nearly all bloom but spikes will be short and flowers small.

STOCK IN QUANTITY: Varieties listed herein per hundred can be supplied in standard sizes and bulblets per quart. Prices quoted on request. Correspondence solicited.

MIXED BULBS: 35c per dozen, 3 dozen for \$1.00; \$2.50 per hundred; \$20.00 per thousand. This mixture will be made up from regular stock as orders come in, and only good, clean, blooming size bulbs, 1 in. up, will be used, the number of colors depending on the size of the order. Or, if you like, state colors preferred and I will do the rest. In either case, good value is assured.

CLUB RATES: Special rates to members of Floral Societies and Garden Clubs. Information will be furnished your secretary on request.

SOCIETIES: All "Glad Bugs" should join the American Gladiolus Society, a national organization devoted exclusively to the advancement of Glads. Dues are \$2.00 per year, including subscription to the Gladiolus Review, the official publication of the society, published monthly. Send dues to Mr. Roscoe Huff, Secretary, Goshen, Indiana.

You are also invited to join the Oregon Gladiolus Society, a state organization affiliated with the A. G. S. Dues \$1.50 a year, if a member of the A. G. S.; otherwise \$2.50, including subscription to the Gladiolus Review. Send dues to Mr. L. C. Larson, Secretary, 186 W. Winchell St., Portland, Oregon.
